Quinada, Invented by a New York  
Chemist, Stimulates and Nourishes  
The Roots of the Hair

Just as a good fertilizer nourishes the soil and produces a rich crop of wheat or corn, so will the proper remedy create a healthy condition of the scalp, and promote the growth of the hair. QUNADE stimulates and nourishes the roots of the hair, thereby causing a healthy growth.

QUINADE was invented by a New York chemist, and is made under the personal supervision of a registered pharmacist of over twenty-five years' experience; this is a guarantee that QUINADE is as near pharmacologically correct as can be. The ingredients are selected with great care and nothing enters this high class preparation unless it is of the highest purity.

Scaly? QINASOAP, the ideal shampoo, is an excellent aid; QUINADE in keeping the scalp in a clean, healthy condition. It should be used about every two weeks.

Both articles are sold by druggists and dealers at 25c. each, or will be sent direct by Seeby Drug Co., 79 E. 130th St., New York City, on receipt of price. Write for sample of QUIN ADE, mentioning the name of this paper.—Advt.
